LUNCH ORDERS
Lunch orders are this Friday. Order forms were sent home last Friday. Orders must be returned to school no later than, tomorrow morning Wednesday, 15th June.
Less than a handful of sleeps and Semester 1 will be over! Staff are putting finishing touches to student academic reports while students put finishing touches to their Portfolios. If you haven’t already logged into Sentral to book your Parent/Teacher Interview, please do so as soon as possible. If you’re experiencing difficulty using Sentral, please see Nicole and she’ll happily assist you.

Did you know we will continue running our Breakfast Club Program next term, however it will be a little different as we will be funded as part of the Foodbank Victoria School Breakfast Clubs Program. This is an initiative of the Victorian Government in partnership with Foodbank Victoria. The program will deliver healthy breakfast foods to primary schools across Victoria. This means that our students can attend breakfast club without the need to pay a donation as Foodbank will provide the products we supply. The basics provided by Foodbank each week will be wheat biscuits, oats porridge and canned fruit while the school will also continue providing toast as well. Below are some statistics provided by Foodbank about the breakfast clubs program.

A couple of reminders:

- Adult helpers are required to assist with the cooking on our Indonesian Cultural Day. If you’re able to assist please see me.
- Thank you to those who remembered to return the reply slips for the End of Term Working Bee and the Election Day Stall. Even if you are not able to assist for either event, please return your reply slip so we know every family has seen the correspondence and had the opportunity to participate.
- Every student in our school has their personal login details for Oxford Owl the online reading program. If your child has not yet logged in and read any of the materials on this website, and you’re interested in supporting their reading progress, please contact their classroom teachers for the login details.
- Students are still able to login to Mathletics using the login details they have always used. Again, if your child is not utilizing Mathletics and you’d like them to, please contact their classroom teachers for the login details.

Finally, congratulations to Sam Mc, Kallum, Xavier, Isaiah, Jake and Corbin who were lucky enough to play footy at half time on the MCG yesterday at the Collingwood vs Melbourne game, as part of Broadford Auskick. They all did such a great job and were very excited to have the opportunity to play on ‘The G’.

Have a sensational week……☺

To help celebrate the end of term we are having an Indonesian day. It will be on Thursday the 23rd of June.

Students will be participating in cultural activities in the morning. After recess the whole school will participate in Aktivitas Tradisional Indonesian (traditional Indonesian games). At lunch time (Makan Siang) we will all share an Indonesian lunch that the Years 5 & 6 will prepare in the morning and to end our day at 2:00pm, we will have a Konser (concert).

Students and teachers are asked to wear red and white the color of the Indonesian flag.
