Dear Parents/Guardians

BOOKLISTS FOR 2015

Please find the booklist(s) attached. The process this year is quite different to the process of past years. This year you have the flexibility to purchase student stationery (Section 1 on the booklist) from any supplier you select.

All other sections on the booklist are provided by the school. We have provided the booklist in a manner that should make shopping easier. Cut off section 1 and take that shopping with you. The remainder of the page should be retained and then completed and returned to school no later than Thursday 29th January. If you are paying by cash and wish to avoid the rush on the 29th January, the office will be open from 9:00am – 3:30pm from Tuesday 27th January.

Attached to this letter you will also find a sheet that can be used for labelling every item of stationery that your child will bring to school. Please ensure every item of labelled stationery (as listed on the booklist) is sent to school with your child on Thursday 29th January as classroom teachers will begin establishing classroom routines and dealing with organisational matters.

Should you have any questions/queries or require assistance with acquiring the stated items, please feel free to ring or email me and I will gladly assist.

Kind regards,

Lynette Robberts

Principal - Tallarook Primary School
