

YARD SUPERVISION POLICY

Rationale:

Adequate supervision of students in the school yard is a requirement of the school's duty of care.

Aims:

To provide adequate and appropriate supervision of students in the school yard.

Implementation:

- Supervision of students is the responsibility of all staff.
- A roster system will be used to timetable staff members for yard supervision.
- Yard supervision will include before school, recess and lunch breaks, and after school.
- Parents will be informed regularly via the newsletter that staff members are not rostered to take yard duty until 8:30am each morning. Parents are discouraged from sending their children to school before this time.
- Parents will also be informed via the newsletter that staff members will not be rostered to undertake yard supervision after 3:30pm each day. Parents are required to make sure that their children have been collected or have left the school grounds by this time. Students still in or about the school yard after 3:30pm are to report to the Bus Duty teacher. If students are uncollected once the buses have been, students will be brought to the school office to await parents arrival.
- The yard supervision roster will basically require staff members to undertake yard duty before school, for half of recess or half of lunchtime, or after school on specific days.
- An experienced teacher will be responsible for coordinating the roster, and for negotiating specific duty times or days with individual staff members.
- The roster will require a minimum of one staff member on duty at any one time.
- Yard duty staff members send injured students to staffroom for attention.
- A Level 2 First Aid trained staff member will be available at all times.
- Yard duty staff members to record student behaviour directly into Sentral.
- Casual Relief Teachers will be responsible for the yard duty responsibilities of staff members they are replacing.
- Staff members who are aware that they cannot fulfil their yard duty obligations due to appointments or excursions etc are required to either make a swap with another staff member, or discuss the matter with the coordinating teacher.
- Staff will be provided with hats and sun block in accordance with the Sunsmart policy.
- Staff on yard supervision must approach intruders or unknown people in the yard.
- Separate provision is to be made for students who are registered bus travellers.

Evaluation:

To be reviewed as part of the school's three year review process.
