TALLAROOK PRIMARY SCHOOL’S VISION:
To develop well adjusted individuals who strive to achieve their full potential in a dynamic, caring and supportive environment.

What’s Happening This Week...
♦ Monday, 1st September:
  ~ Grade 1/2 Camp
  ~ MACC (Art)
♦ Tuesday, 2nd September:
  ~ Grade 1/2 Camp returns approx. 3pm
  ~ Active After School 3:30pm-4:30pm
  ~ RACV Energy Breakthrough Training
♦ Thursday, 4th September ~ District Athletics, Meadowglen
♦ Thursday, 4th September ~ Fathers Day Stall

What’s Happening Next Week...
♦ Monday, 8th September
  ~ MARC (Library)
  ~ Active After School 3:30pm-4:30pm
  ~ School Council Meeting, 6:30pm
♦ Tuesday, 9th September:
  ~ Active After School 3:30pm-4:30pm
  ~ RACV Energy Breakthrough Training
♦ Thursday, 11th September ~ Gr 5/6 Young Leaders - Pyalong
♦ Friday, 12th September:
  ~ End of Premiers Reading Challenge
  ~ Parents & Friends Club Meeting 1:30pm-3:00pm

NOTE FROM GOULBURN VALLEY WATER
Sanctuary Road Water Main Replacement
A section of water main (about 875m) along Sanctuary Road, Tallarook will be replaced over the next few weeks. The replacement is part of a program to reduce leaks and bursts and improve supplies for local residents.

GVW will be working in partnership with contractor DKM Utility Services to deliver this work. Works are expected to be completed within seven weeks (weather permitting). The water supply is not expected to be affected during this time.

Customers directly affected by the excavation works will be notified and students are advised to remain clear of any works to ensure their safety at all times.

GVW thanks customers in advance for their patience.
To report a service issue residents can contact GV Water’s 24 hour customer service line on 1800 45 45 00.
From the desk of the Principal... Hai Semua! (Hi everyone)

The day has arrived for our Grade 1/2 students to head off to Weekaway Camp. The photos attest to the level of excitement (and apprehension) felt by the students and their parents. I know you all join me in wishing our 21 students, Lindy and Mr Murphy, as well as the staff and students from Pyalong, Tooborac and Willowmavin, a fantastic camping experience!

Last Thursday our Grade 4 students and Mr Murphy joined the rest of the McHargarook Clusters' senior students at The Block, High Camp. (Student reflections regarding this project will be posted onto the website shortly.)

While the Grade 4 students were at High Camp, the Grade 5/6 students visited Seymour College to experience a "taste" of Secondary School. I was really impressed to see our students actively participate in every activity presented as well as step out of their comfort zones by immersing fully in the social opportunities that were provided. Every student came away with a completed product made in one of the technology rooms.

To celebrate National Literacy and Numeracy Week last week we held a Literacy and Numeracy Games night. This was well supported with 18 Families turning up to enjoy the opportunity to play as well as engage in some friendly competition.

We only have three more weeks left of this term! Mrs Lavis has begun long service leave from today while Nicole goes on long service leave next week. We wish them both a wonderful period of leave and look forward to seeing them back at the beginning of next term.

While Nicole is on leave she will be replaced on Mondays by Lindy and on Fridays by Heather. If you ring the office and it goes through to answer phone, please leave a detailed message and I will get back to you as soon as possible.

While Mrs Lavis is on leave, Mrs Sherwood and I are looking forward to sharing the classroom teaching and learning opportunities in the Rook Ranges Learning Space. Please don't hesitate to see us if you have any questions or queries regarding classroom programs or procedures.

A reminder of meetings we’d love your presence at next week:
- Monday, 8 September at 6:30pm - School Council
- Friday, 12 September 1:30pm - Parents and Friends Club

Have a great week..... Lynette Robberts

Coughs and Colds 😊

This week I noticed that over half of our students were coughing and had runny noses and colds! 😊 Some of our families have been really sick with it 😊

Symptoms of a cold include,
- Tiredness
- Soar throat
- Coughing
- Runny nose and sometimes...
- Temperature

If your child has any of these symptoms, please keep them home to rest, that way the cold is over quicker, and it reduces others catching it. See your doctor if symptoms persist or if you child has a temperature.

At school, students are taught to reduce the spread of germs by blowing their nose in a tissue and binning it, covering their mouth and nose when they cough or sneeze, and washing their hands.

Tips to beat the winter colds and flu 😊
- Fresh air and sunshine
- Exercise
- Sleep
- Drink water
- Eat healthy food
- WASH YOUR HANDS
  And....
-STAY HOME IF YOU ARE SICK!

That way we all look after each other by avoiding the spread of colds and flu 😊 We would really appreciate your help with this. Thanks 😊 Annabel - Primary Welfare Officer - TPS 😊
